

Bethany Bachmann LLC Liability Waiver

Bethany Bachmann LLC Scope of Practice: I understand that Bethany Bachmann LLC does not diagnose disease, illness, or any other physical or mental disorder. As such the practitioner does not prescribe medical treatment or pharmaceuticals, nor do they perform spinal manipulation. It has been made clear to me that bodywork is not a substitute for medical examination or diagnosis and that it is recommended that my child see a physician for any physical ailment I might have. It has also been made clear to me Bethany Bachmann LLC is not a psychotherapist or mental health counselor.

Health Information: I have filled out the pediatric health history form completely and accurately to the best of my knowledge. I will keep Bethany Bachmann LLC informed of changes to my child's health or healthcare.

Services: Bethany Bachmann LLC is a certified craniosacral therapist and licensed massage therapist. Intra-oral techniques are offered when indicated. Other teachings such as hakomi-based bodywork, neurobiology for post-traumatic growth and energy work may be integrated in sessions within the scope of a bodyworker.

Mental Health: If emotions, memories or unresolved trauma arise that does not find resolution in a session it is my responsibility to get extra support for my child with a mental health counselor.

Integration of Sessions: Integration of a session can last for 48 hours. Sometimes there is a brief worsening of a condition before it starts to improve. Mild detoxification may occur.

COVID-19: I understand that Bethany Bachmann LLC and any of its affiliates or agents cannot be held liable for any exposure to the virus or any other contagion. I understand that, because bodywork involves maintained touch and close physical proximity over an extended period of time, there may be an elevated risk of disease transmission, including COVID-19.

I ask that you assess your own risk and follow the recommended guidelines to ensure your own safety. If you have any doubts please contact your pediatrician to talk over safety before your child receives craniosacral therapy sessions.

By signing below, I understand and agree to each above statement and release Bethany Bachmann LLC and its affiliates or agents from any and all liability. I give my consent for my child to receive services provided by Bethany Bachmann LLC.
